

RAJIV GANDHI COLLEGE OF ENGINEERING, RESEARCH AND TECHNOLOGY, CHANDRAPUR

SWAYAM-NPTEL LOCAL CHAPTER

**STUDENT'S AWARENESS PROGRAM
on
SWAYAM-NPTEL ONLINE CERTIFICATION COURSES**

Student's Awareness Program for NPTEL Online certification course was conducted in the Computer Science and Engineering Department on 22.1.2019 in the class room in first lecture for second year and in third lecture for third and final year by Prof. Vanita Buradkar (Department Coordinator, SWAYAM-NPTEL LOCAL CHAPTER) . About 200 students participated in the awareness program.

FOLLOWING INFORMATION WAS GIVEN TO THE STUDENTS OF THE DEPARTMENT.

- About the launch of NPTEL local chapter in the college.
- Anybody can join the course.
- The information about the various courses available for this session was shared with the students.
- Information about the fees, examination centers for NOC and exam details regarding the course.
- The benefits of registering through the local chapter, like scholarship for students scoring above than 90% marks, providing mentors to the students.
- The students were motivated to join the course and informed about the importance of the course in terms of Depth knowledge from IIT faculties, GATE and CAMPUS recruitment.
- All the students were informed to register for the course before 28/1/19 and the schedule for current semester was also provided.
- The procedure to enroll for NOC was explained to the students.

Prof. Mrs. Vanita Tonge addressing the Students
