## **BRIEF REPORT ON**

# **One day Inter-Collegiate TechFest INFLORE 2K20**

## **Conducted at RCERT**

Computer Society of India (CSI), Student branch of Rajiv Gandhi College Of Engineering, Research and Technology, Chandrapur in association with Department of Computer Science and Engineering & IT organized a one day Inter-collegiate TechFest INFLORE 2K20 on 29th February 2020.

The main objective of this event was to provide students a platform where they can learn, explore and demonstrate their knowledge of technical aspects by participating and competing in various technical events like Project Exhibition, Ad-Mad, Google Maze, Blind Code Fold and Programming Puzzle. This one day inter-collegiate techfest witnessed participation of students among various engineering and polytechnic colleges. Around 200+ students got registered for the participation.

Inaugural ceremony was graced by the esteemed presence of Dr. Z. J. Khan, Principal, Dr. D.V.Bhope, Dean-IQAC, Dr.N.J.Janwe, Head, CSE & IT, Dr. Rahila Sheikh, Dean-Academics, Prof.Manisha Pise, CSI Staff Coordinator, Ms. Nikita Tiwari, President, CSI-Student Branch and faculty members of CSE &IT and core body members along with students from other institutions.

Dr. Z.J.Khan, in his speech, emphasised on how competing in various technical events helps the innovation and creativeness alive in a person and congratulates all the students for their active participation. Dr. D.V.Bhope, applauded and supported the efforts taken by the CSI – RCERT Student Branch towards the betterment of the technical aspects of the students and for organizing events every now and then under the banner of CSI.

Dr. N. J. Janwe, HoD, CSE & IT, appealed to the CSI Staff Coordinators and Advisors to motivate students to participate in various technical events organized by CSI at National level. Prof. Manisha Pise, CSI Staff Coordinator addressed the gathering by extending her heartfelt thanks to the institution, department of CSE & IT and students for making this event successful. Ms. Nikita Tiwari expressed her gratitude towards her team, core body members and other students for supporting her throughout the year, making her run as a president a smooth and remarkable journey.

## INFLORE 2K20

The Technical Festival  
(For Engineering, Polytechnic & Science Students)  
**On 29<sup>th</sup> Feb 2020**

**ABOUT CSI:**  
The seed for the Computer Society of India (CSI) was first sown in the year 1965 with a handful of IT enthusiasts who were a computer user group and felt the need to organize their knowledge and exchange ideas on what they felt was a fast-emerging sector. Today the CSI takes pride in being the largest and most professionally managed association of and for IT professionals in India.

**ABOUT RCERT:**  
More than 35 years ago, it was the vision of Shri Shantaram) Patilkar that transformed the educational profile of Chandrapur when he laid foundation of technical education by starting Rajiv Gandhi College of Engineering, Research and Technology (formerly Chandrapur Engineering College) in 1983. It was a humble beginning with 5 branches and 100 seats. It is now having 460 intakes in 7 branches (Civil Engg, Computer Technology, Electronics Engg, Electronics & Power Engg, Information Technology, Mechanical Engg, Mining Engg) and PG courses in three disciplines, (Computer Science and Engg, Energy Management System, CMC/CMM). Today under the dynamic leadership of Principal Dr. Z.J. Khan, the college has proved the academic merit and has successfully cultivated the sense of social responsibility.

**MISSION:**  
To foster students learning high quality, career-oriented undergraduate and in engineering and technology and thus to prepare committed, competent, need-based human engineering professionals to serve the country and humanity at large with the knowledge, technical skills and human values imbued at the Institution.

**VISION:**  
To encourage the mind the interest of the IT professionals and computer users CSI works towards making the profession an area of choice amongst all sections of the society. The promotion of information technology as profession is the top priority of CSI regularly organizes conferences, seminars, lectures, projects, events. At the same time, it also ensures that regular training and skill updating are organized for the IT professionals.

**OBJECTIVE OF THE INFLORE 2K20:**  
To encourage the budding engineering students to show their hidden talents and skills at national level forum. This event diversifies itself by presenting various events in various field of technology. Participation in these events would definitely assure desired results in terms of appreciation of their talents. Many memorable experiences will make the youngsters more ambitious.
