**Visit to Old Age Home “Bhartiya samajseva sanstha Matoshri
Vrudhashram”, Visapur, Chandrapur.**

**Under the Guidance of
Prof.C.D.Karekar
(Assistant Professor)**

Date:- 14th March 2020

BRIEF REPORT

Department of Civil Engineering, RCERT, Chandrapur has arranged the visit to old age home for third year students on 14th March 2020. Around 60 students were present. The staff member Prof. C.D.Karekar and Prof. Y.D.Parihar accompanied the students.

In old age home around 30 members are residing. The students introduced themselves and had conversation with the residents. The residents in their free time makes paper bags, paper quilling earring and cards, spices and dish washer liquid etc. Students were surprised after seeing the beautiful things made by these people. Students distributed the daily need things and snacks and took their blessings.

The visit to old age home taught many lessons to the students. Students experienced the joy of giving. After meeting to these students the happiness is seen on the faces of elderly people.

Report compiled by - Prof. C.D.Karekar.
