Orphanage Visit

**Vivekanand Orphanage , Rajura
&
Narayandas Mawani Gaushala Chatrawas, Chunala**

Organized by

Department Of Computer Science & Engineering and Info. Tech.

Date: 16th February 2019

The students and the faculty from the Department of Computer Science & Engineering and Information Technology from Rajiv Gandhi College of Engineering, Research & Technology visited Vivekanand Orphanage, Rajura and Narayan Mawani Gaushala Chatrawas, Chunala, on Saturday 16th February 2019.

Vivekanand Orphanage is managed by the trust under the supervision of Mr. Gawhane, and has 16 children of different age groups and studying at different primary and secondary schools.

Narayandas Mawani Gaushala Chatrawas, Chunala hosts 25 children, mainly from Assam State and belongs to all age groups. The Chatrawas runs on a self-finance basis. Mr. Dilip Mahisne., the Supervisor of the Chatrawas gave the brief introduction about the Chatrawas.

The children of both orphanages were very pleasantly excited to receive the members of our entire team. The volunteers of our team greeted the students with great enthusiasm. There was a huge smile on the faces of orphanage children and they were very happy to meet us. After a short introduction of ourselves we had a conversation with orphans about their daily life. Thereafter, students conducted computer awareness programme to make them aware about computers. Students distributed the gifts, sweets and other useful items for their daily needs, which students brought for the children.

During the occasion Prof. Nitin J. Janwe , Head of the Department CSE & IT shared his views and distributed a small token of gift to the caretaker of the two orphanages.

The staff members Prof. Anand Donald, Prof. Dhananjay Dumbere, Prof. Manisha Pise, Prof. Rupa Lichode, Mr. Santosh Shrigadiwar and Mr. Suryakant Buradkar along with the team of 60 students from CSE & IT dept. were present on the occasion.

It was indeed a very satisfying experience for the students as they could bring smiles on children's faces however for a brief period. Students realised that one must contribute and understand his/ her social responsibility towards the society.

The department of CSE & IT is very grateful to our Principal sir, Dr. Z.J. Khan, for permitting and encouraging the students and the faculty to visit above orphanages and allowing to avail college bus facility.
