BRIEF REPORT

Rajiv Gandhi College of Engineering, Research & Technology (RCERT), Chandrapur has succeeded in breaking its own record in campus placements this year, under the dynamic and inspiring leadership of its Principal Dr. Zafar Khan. It has been widely spoken that the job market is very tight this year and there are very few jobs in the market for Engineers. However, RCERT, with its determination to change the academic scenario of the twin districts of Chandrapur and Gadchiroli succeeded in placing its Final Year Engineering students in some of the top multinational companies across pan India.

The HR Team of all the companies conducted the selection process throughout the day and the results were declared late evening on the same day. The Students of Electronics Engineering and Electrical Engineering of RCERT are now hundred percent placed in top companies. This is the first time that such a feat has been achieved by RCERT and most importantly, 157 job offers were given on a single day. This reflects the record placement achieved by RCERT. REDMI selected 111, CONNEQT (Tata Group) 76, GENPACT 20, AMAZON 08, HINDUJA GLOBAL 08, TECH MAHINDRA 05 and WIPRO 03.

Last year also, RCERT successfully placed its 182 students of 2018 batch in various companies across the country. However, this year 274 placements till date is an all time record of RCERT. The message from the College is very loud and clear since Dr. Zafar Khan has taken over as the Principal. The improvement in academic ambiance and discipline in College apart from campus placements have been the prime areas where the Principal Dr. Zafar Khan himself is monitoring the day to day progress. He is personally handling all such related issues and the positive changes in discipline can be observed on the campus. Under his dynamic leadership, the College has become the first Engineering College in the twin districts of Chandrapur and Gadchiroli to have acquired NAAC Accreditation. Recently, RCERT has been recognized as the Resource Centre for National Cyber Safety & Security Standards (NCSSS). It is one of the three Colleges in the State of Maharashtra which has been granted this status of Resource Centre.

Shri Shafique Ahmad, President, Shri Prashant Potdukhe, Secretary, Shri Ramesh Mamidwar, Treasurer, Shri Vinod Dattatray, Joint Secretary of Sardar Patel Memorial Society (Trust) have congratulated the selected students and wished them a great career ahead. Principal Dr. Zafar Khan also appreciated the efforts of Training and Placement Department of RCERT in preparing the students for the interviews. Still Just Dial and three other companies are expected to visit RCERT campus during the last week of March, 2019. It is expected that, RCERT shall succeed in reaching the target of 300 job offers from the campus for its 2019 batch students. The Training and Placement Officers Prof. Bireshwar Ganguly and Prof. Charanjeet took lot of pains for the success of this mega placement drive.
