ACREDITATION PROCESS**

By

Dr. R. Arockia Kumar

Assistant Professor

National Institute of Technology (NIT)

Warangal

Date: 14th December 2018

BRIEF REPORT

A talk of Dr. R. Arockia Kumar, Assistant Professor of Metallurgical & Materials Engineering, National Institute of Technology (NIT), Warangal was arranged on 14th December 2018 at 3:00pm in Conference Room on the Topic "**My Experience with NBA Outcome Based Accreditation Process**". The Head of Departments, Deans & Senior faculty members of the College were present for the talk and also for the interaction. Dr. D.V. Bhope, Dean(IQAC) made the introductory address.

During the talk, Dr. Arockia informed to the audience that NIT Warangal has undergone the process of accreditation by NBA and he worked in the core team. He shared his accreditation work experiences with the audience. The necessary preparations to be made for NBA accreditation for the Department & also for the Institute are highlighted during the presentation. The list of files to be prepared for the accreditation work are also briefed by the esteem speaker. Brief introduction to the process of calculation of attainment levels was also made during the talk. The important role of rubrics in the assessment of the subject heads like Seminar, Projects, Industrial Visit was also highlighted during the talk.

During this talk, all the participants also interacted with the esteem speaker related to their queries regarding accreditation work. Dr. H.S. Deshmukh, Dean(Admissions) proposed Vote of Thanks.
