Date: 9<sup>th</sup> Mar. 2019, At 11.00 AM

The Department of Computer Science & Engineering & Info. Tech. has organized a technical talk on “Artificial Intelligence: The New Era” under the banner of Sardar Patel Memorial Technical Lecture Series (SPMS) on 9th Mar. 2019 at 11.00 AM at Chotubhai Patel Auditorium, RCERT, Chandrapur. The resource person was Miss. Sharvari Shirish Gundawar who is working as a Scientist at U. R. Rao Satellite Centre, Bangalore.

A programme was started with Goddess Saraswati Vandana and lighting of traditional lamp. Prof. Nitin J. Janwe, Head of the Department of CSE & IT gave the floral welcome to the Principal Sir, Dr.Z.J. Khan. Prof. Anand Donald gave floral welcome to the guest speaker Scientist, Miss. Sharvari S. Gundawar.

Prof. Nitin J. Janwe during his introductory speech appealed the audience to get acquainted with the latest technologies of Artificial Intelligence (AI) along with its applications and to have a better understanding about the same.

Dr.Z.J. Khan, Principal, RCERT, Chandrapur during his insightful address motivated the students to take an advantage of this lecture series and to learn the current technologies which are currently in demand in the industry.

Dr. Z. J. Khan Sir, felicitated Miss. Sharvari S. Gundawar by presenting her a memento as a token of love. During her lecture, Scientist Miss. Sharvari S. Gundawar delivered her talk on the topic “Artificial Intelligence – The New Era”. She focussed on the introduction of AI, various types of AI, AI the story of future, AI timeline, AI in space, she also covered AI as the 4th Industrial revolution.

The talk was very informative. About 150 students of CSE & IT dept. and faculty members were present, Prof. Anand Donald proposed vote of thanks, Ms. Aprajita Chauhan anchored the program. Dr. Z.J.Khan, Principal, RCERT, Chandrapur congratulated the CSE & IT Department for their successful organization of the programme.
