Teachers-Parents Meet**

Date: 16th March, 2019

BRIEF REPORT

Department of Mechanical Engineering, RCERT, Chandrapur has organised a Teachers Parents Meet on 16th March 2019. This is the second parents meet organised by department in this even session to interact with parents under "Continuous Interaction Program". The first meet was held last month on 9th February 2019 and various challenges faced by students in the present scenario of Engineering Education and job market were discussed. The department and parents both decided to prepare an "Action Plan" to enhance students' employability. The Head of the Department Dr. Pravin Potdukhe prepared an "Action Plan" accordingly and explained it through his presentation. The data received from Training and Placement Officer regarding campus placement over last few years was also shared with parents and various fields in which the mechanical engineers are required, the different companies recruiting them, their expectations from engineers, their eligibility criteria and salary package they offer were discussed.

Under the action plan prepared by department, the parents agreed to conduct the following training programs for their wards during summer vacation:

- Campus Recruitment Training
- Internship training
- CATIA Training
- Aptitude Training and
- GATE Training

It was decided to meet again in next month to monitor the progress of the preparation of these various training programmes. Prof. Pramod Sahare conducted the program while Prof. Mahesh Buradkar proposed a vote of thanks. Prof. Pravin Padole, the coordinator of the meet did all planning and arrangements of the program.

The meet was attended by Mr. Kisandas Khobragade, Mr. Ramesh Gadre, Mr. Yograj Patle, Mrs. Shobha Vyas and many more parents. The teachers of the department Dr. Deepak Bhope, Dr. Hemant Deshmukh, Dr. Vinod Gorantiwar, Dr Rajesh Thombre, Prof. Ashok Karmankar, Prof. Shailendra Zaveri, Prof. Narendra Ade, Prof. Sudhakar Khamankar, Prof. Abhay Nilawar, Prof. Ganesh Potdukhe, Prof. Nageshwar Gandlewar, Prof. Yogesh Yenarkar were present in the meet. Mr Anil Bobade managed Power Point presentation work while Mr Sainath kotnake assisted for the smooth conduction of the programme.
