

Rajiv Gandhi College of Engg, Chandrapur

Dr Bhatkar listening to information about college being given during his visit to RGCERT.

PADMABHUSHAN Dr Vijay Bhatkar, architect of Super Computer PARAM 8000 and PARAM 10,000, visited Rajiv Gandhi College of Engineering, Research and Technology, Chandrapur, on Saturday. Dr Bhatkar was welcomed by Safiqui Ahmed, President, Ramesh Mamidwar, Treasure, Bharat Podukhe, Secretary, Vinod Dattatray, Joint Secretary of SPMS (Trust) and Dr Z J Khan, Principal of RCERT. Delivering the welcome address, Dr Khan informed that RCERT was an active partner for the flagship programmes like Unnat Bharat Abhiyan of Government of India. Through a power-point presentation, Dr Khan explained the research achievements of the college and researches being carried out in battery technology and electric vehicles. Dr Bhatkar appreciated the research works. Information about activities conducted by UBA Cell of the College were presented to Dr Bhatkar.
