Brief Report

An Expert Lecture on “Career Development & Preparation for Competitive Exam” was organized by Training & Placement Cell of RCERT, Chandrapur on 29th August 2019. Program was graced with invited speaker Shri. Yajurvendra Mahajan, Founder, Deepstambh Foundation, Jalgaon, Dr. Z. J. Khan, Principal, RCERT, Dr. D. V. Bhope, Dean IQAC, Dr. V. S. Gorantiwar, Chairman IE(CLC). Other dignitaries present for the program were Dr. H. S. Deshmukh, Dean Admissions, Dr. S. S. Wazalwar, Dr. R. G. Weginwar, Dr. P. A. Potdukhe, Dr. N. J. Janwe & Prof. B. S. Ganguly, Training & Placement Cell. Around 200 Students of RCERT Final year Engineering were present for the program.

Program was inaugurated with the floral welcome of the guest speaker at the hands of Dr. Z. J. Khan, Principal, RCERT. Followed by the address of Dr. Z. J. Khan where he expressed his sincere thanks to the speaker for accepting the invitation and sparing his precious time for the welfare of the students of this institute. He also stressed on how important is this time for students for making a good career ahead.

Guest Speaker was formally introduced by Mr. Shubham Muddawar. The most inspiring thing about him was his Foundation Deepstambh which works dedicatedly for the welfare of Differently abled & Orphan children and helping them in all respect towards achieving their dreams. Dr. Z. J. Khan felicitated Mr. Yajurvendra Mahajan on behalf of the RCERT Fraternity with Shawl Shrifal and presented him a Token of Respect from the institute.

The proceedings were handed over to Mr. Yajurvendra Mahajan for his Talk. He started his speech with the term “Career” and its meaning by asking the opinions of the student. He defined the term Career as one’s own interest converted into profession. He stressed on following excellence in place of money while pursuing a career. His talk was supported by so many real time examples and experiences. For preparing for competitive exams, he mentioned that only those who like to study and can study anything and everything should only attempt for competitive exams and government jobs. Those attempting for government jobs like UPSC/MPSC should have the perseverance and patience to deal with real life problems and be able to successfully address & resolve them. He concluded with a small video clip about his organization which left all the audience speechless. The video clip displayed the real scenario of their working, challenges & inspirations towards achieving the dreams of Differently abled & Orphan children. Many such children are now working as Civil Servants, Bank Managers, Income Tax/Sales Tax Officers. There are numerous numbers of success stories of their organization. And all of it they do it without taking a single penny from them. The whole audiences were left mesmerized with the talk and gave standing ovation saluting his sacrifice and noble cause towards the dark side of the society.

Felicitation of Mr. Yajurvendra Mahajan by Dr. Z. J. Khan, Dr. D. V. Bhope & Dr. V. S. Gorantiwar
